

CORDOBA TOUR FROM SEVILLE

NAUTALIA VIAJES, C/ ALBACETE 14. 46007 VALENCIA

About this tour

It's no wonder why so many people fall in love with Cordoba, this magical ancient city was once the capital of Moorish Spain for over three centuries, ruling over an Empire that stretched from the Atlantic to the Persian Gulf.

Visit the city's many attractive monuments in the company of your knowledgeable local guide and discover a maze of narrow streets, quiet alleyways, sunny plazas and whitewashed courtyards, presided over by the impressive Great Mosque, a masterpiece of mediaeval Islamic architecture.

After an early start from Seville we'll start by exploring the majestic Alcazar del los Reyes Cristianos, a mediaeval Islamic Fortress, then occupied by the Catholic Kings of Spain. Next stop is the impressive Great Mosque, a spectacular testimony to the age of the Caliphate.

Then it's time to head for the Juderia, the mediaeval Jewish Quarter, a vibrant neighbourhood, packed with small shops, hole in the wall bars and great restaurant. We'll stroll down the Callejon de las Flores, a fiesta for the senses as we come onto the Plaza of Gran Maimonedes where we'll visit the city's ancient synagogue, dating from 1315.
