

GRANADA TOUR FROM SEVILLE

NAUTALIA VIAJES, C/ ALBACETE 14. 46007 VALENCIA

About this tour

Granada is one of the world's most beautiful cities and a must see for anybody visiting the South of Spain. Learn how the different civilisations passing through Andalusia have left a cultural legacy that is a marvel of the world. Visit the Alhambra, the jewel in the crown of this beautiful city, nestling at the foot of the Sierra Nevada Mountains and you'll understand why the last Moorish king cried for this lost city when it was conquered by the Catholic armies in the fateful year of 1492.

This day trip from Seville includes a visit to the Alhambra Palace complex with its many palaces, grand halls, sumptuously decorated chambers and exquisite gardens. Then follow your guide through the beautiful Generalife Gardens, a lush paradise packed with fountains, flowers and secluded shady patios.

Then at the end of the tour you will have plenty of time to relax in Granada or explore this most magical of cities for yourself before catching the coach back to Seville.
